

# NGS REVERSE GLASS GILDING & *OTHER THINGS IN GOLD*

**A window into what we do**

**NGS - Nick Garrett Signwriting *of* London**

Gold leaf is the finest material available to the sign artist. There is no brighter, purer material than this incredible metal.

... it lasts for decades and represents the very best in value.

Clients include Miami Ink, J. Crew, Paul Smith, McDonalds

## APPLYING GOLD TO GLASS

This is a special process that allows the gold to transform into a mirror like finish. We are famous for our special gilded finishes.

Fascias and external gilding

We pride ourselves in delivering not just great gilding but the finest typographic design too.

Having the design edge keeps our clients on the front foot.
